

Leaf Collection Program

DC

2015-2016
Fall-Winter

November 2 to January 9

New Collection Schedule to Increase Efficiency

This season, the Department of Public Works will follow a one-week collection schedule to reduce the time between when you rake/bag your leaves and when DPW collects them. We will make two one-week passes in your neighborhood between November 2 and January 9.

NOTE CAREFULLY when we will be in your neighborhood and have your leaves ready for collection by the Sunday of each of your collection weeks.

Rake loose leaves into your treebox or bag your leaves (using paper bags, please) and place them in your treebox. Loose and bagged leaves in the treebox, or at the curb if there is no treebox, will be composted.

Bagged leaves also may be placed where your trash and recycling are collected. These leaves will be collected with the trash and will not be composted.

Once we service your area, we will not return until your next scheduled collection.

Please – leaves only! Tree limbs, bricks, dirt, rocks, etc. will damage the equipment and delay collections.

Prevent fires and parking problems by placing leaves in the treebox, not in the street.

Leaf Collection Facts

Every street will have at least two one-week collections.

Collections will be made on Veterans Day (November 11), and Thanksgiving (November 26). No collections will be made Christmas (December 25) and New Year's Day (January 1).

Snow storms will disrupt the collection schedule because the DPW leaf collection staff support the snow removal program. Expect schedule delays when snow/ice storms are predicted.

DPW will collect your leaves even if the schedule is delayed due to weather or other circumstances. Please be patient. Check the collection status online at <http://leaf.dcgis.dc.gov/>. Images of collections in your neighborhood also will be posted on this site.

DC 2015-2016 Leaf Collection Program

Good to know...

Bring leaves to Ft. Totten

4900 John F. McCormack Drive, NE.

Weekdays, 1 pm to 5 pm

Saturdays, 8 am to 3 pm

For more information, call 311

Free Compost

Available to residents, March to October,
at Ft. Totten, Saturdays 8 am to 3 pm.

Prevent water pollution

Keep catch basins clear of leaves, debris and trash. Do not sweep leaves, litter or other debris into gutters or catch basins. Clogged catch basins (storm drains) can cause street flooding during heavy rain. Organic material, cigarette butts and trash washed into catch basins contribute to water pollution in our streams and rivers. To report a clogged catch basin, call DC Water at 202.612.3400.

Properly dispose of motor oil and other hazardous materials at the weekly DPW Household Hazardous Waste/E-cycling drop-off at Ft. Totten, Saturdays (except holidays), 8 am to 3 pm. Do not dump these items into the catch basins to prevent polluting our waterways and harming wildlife.

2015 Holiday tree pick-up

Holiday trees and greenery will be collected from the curb in front of your home, December 26 – January 8 and will be composted. After January 8, place holiday trees and greenery where your trash and recycling are collected and they will be picked up with your trash as space allows in the trash trucks. Holiday trees and greenery brought to the Fort Totten Transfer Station between December 26 and January 31 will be composted.

Ward 1

Area Boundaries

Rake Leaves out by Sunday:

For Collection From:

Area A: West of 16 St.
North of Ontario Rd.

November 1, 2015

November 2 to
November 7

Area B: West of 16 St.
South of Ontario Rd.

November 8, 2015

November 9 to
November 14
